

MGC - TESTIMONIALS

Justine, from Paul and I - thank you so much for the wonderful service you and your staff provided to us in the lead up to, and on our special day.

The service you provided was outstanding! You were always so prompt on your email replies and whenever I met with you in person you were willing to help and answer all of my questions - with a smile! It's so nice to have received such great customer service - something that is hard to come by these days.

So truly, we cannot thank you enough and would definitely recommend Manly Golf Club to everyone we know.

Wow, where do I start? Manly Golf Club really know how to put on a wedding!

I can't thank you enough Justine for all your help throughout the process. You were so easy to deal with & very organised which made things a lot easier for me being a control freak.

A few days before our wedding I was thinking to myself that I wasn't really that stressed about the day. I realised that was because I trusted that anything that went wrong on the day will be sorted very quickly by yourself. The staff at MGC were exceptional on the day. They were so nice & friendly & nothing was a problem.

I will never forget walking into the chapel & seeing my niece lying down on the floor on a makeshift bed with a blanket & watching a DVD after her tantrum during the speeches. I have been telling everyone this story as it just speaks volumes of the type of wedding venue MGC are. You could have just left her to her parents to look after but you had a staff member specifically in there looking after her & then I've heard that you were also looking after her in your office at one stage. I can't thank you enough for this!

Everyone was commenting on the food & thought it was great. I will not hesitate to recommend this venue to anyone in the future. I may be a little biased because it was my wedding but I truly think it was the best venue I've ever been to for a wedding.

Thanks so much for everything!

Justine, many thanks to you and your wonderful staff for making Lucienne and Dave's wedding such a success. We have had so many compliments from both friends and family who all enjoyed themselves.

Thanks to the professionalism of yourself and your staff involved in the organisation of the ceremony and reception, we as a family were left to just enjoy and celebrate the occasion.

We will be singing your praises to all that will listen and will not hesitate to recommend Manly Golf Club as a function centre.

With thanks,
Helen and Ron October 2015
